Chapter 1 by celloandjello

I placed down the final block of wood. Finally my house is finished. I ran into my newly constructed house, opened a chest, and took out a cake. It was celebration time for me.

I sat down on the porch, happily eating the cake. It was a glorious day. The sun was shining, the birds were singing, and there were no hostile mobs around. Or so I thought.

From behind me, came a hissing sound.

Chapter 2 by SaintSayaka

"Damn it!"

Quickly, I sorted through my inventory. Where was my sword? The hissing grew louder in louder in my ears, until I thought I would go deaf. I was too late. The creeper would take my house, and my life.

Chapter 3 by K4r7h

The creeper walked closer and sat down beside me looking at the house. I was afraid he was

going to explode but he just sat there. Any other mob, the creeper was passive? I have never seen that before. The creeper's hissing stopped and he was just there. I felt his green weird skin

"Yes, I no scary."

The creeper looked is if he had never eaten food.

"I likesss."

"Do you want to come in my house."

"Housssssss. I like."

"I guess I could convert the furnace room to a bedroom."

"I likessss."

The creeper places one T.N.T block down on the floor.

"I findsss in body."

"A genetically modified creeper. Amazing." I look at the block and its glowing. I pick it up and it says Creeper T.N.T. I open the obsidian chamber with the button lock and I put it in the chest.

"It's time to go adventuring Creeper!"

"Yessssssssss!"

so the two different species went adventuring into the distance the looked and saw some sort of CAVE THE CREEPER COULD FIND HIS FAMILY!

Chapter 5 by Misti Barlow

Or so he thought.

We walked inside the dark cave and lit a torch, only to find a horror scene. Dead creepers lay everywhere, and the inside of the cave was demolished from explosions. A dropped pickax lay near one of the creepers.

Creeper scuttled over to the dead body "My... family."

After staring in silence for a long

He turned almost threateningly toward me.

"No, I've never seen this cave before, I swear," I replied, backing up slowly.

"You lie!" It hissed.

Chapter 6 by The Coffee Freak

He hissed louder and came closer to me. I turned and ran out of the cave as fast as I could. I knew there was only one thing left to do. I had to kill him. But I didn't have the heart. He had been my friend, one that I cherished. I would die before I killed him. Then it hit me. I ran into my house and closed the door behind me.

"Come back!" He hissed angrily. He watched me through the windows as I emptied my inventory and took off my armor. I took a breath, then ran out the door and up the hill, hoping I had made the right choice.

Chapter 7 by mostafa Ali

I did it, all I saw was gunpowder and smoke slowly coming out of the creeper's body. It was the end of him. I couldn't eat cake for the rest of the day although I had loads. All I saw was the green grass with black and grey spots, it was amazing how I'm not crying after what I did.

Wait a second, black and grey spots?

HOLY @&!%

IT WAS HIS WHOLE FAMILY COMING FOR REVENGE!!!

I knew just then that I'm "screwed". Right it's moving time.
